## Introduction

The CABO Entertainment Unit combines premium craftsmanship with a refined, contemporary aesthetic — designed for those who want both beauty and performance in their living space. Its full-depth design easily accommodates larger AV components, making it ideal for high-end home entertainment setups.

## Features

- Steel-reinforced top panel designed to support heavier TVs and equipment — up to 80kg
- Integrated cable management neatly conceals all your AV and TV device cables for a clean, clutter-free setup
- Large pull to open centre drawer offers generous storage space to keep remotes, accessories, and other items neatly out of sight
- Spacious open centre shelf perfectly designed for slimline AV equipment, soundbars or a centre channel speaker
- Left & Right Cupboards include adjustable shelves to customise your storage for different components or media
