Introduction

The MIA Entertainment Unit combines a universal, contemporary design with practical everyday functionality — the perfect centrepiece for your entertainment space. With its matte black body and complementary black Beaufort sliding door, the MIA delivers a clean, modern look that fits effortlessly into any home. Thoughtfully designed as an entry-level option, it offers impressive versatility and storage to meet a wide range of living room needs.

Features

- Integrated cable management neatly conceals all your AV and TV device cables for a clean, clutter-free look
- Sliding door to neatly conceal your AV devices
- Two large spaces with adjustable shelves offer generous storage space to keep remotes, accessories, and other items neatly out of sight
