Introduction

The Raze series combines design and functionality into a single package. With the modular system, which allows customisation of the drawer and shelf layout, the Raze series assures ample storage solutions for all your AV needs. Contemporary styling with multiple colour options makes the Raze series look stunning in any setting.

Features

- Customizable, modular drawer & shelf layout
- Contemporary styling, designed for large flat panel TV's
- Cable management to hide unsightly cables
- Push to open drawers for easy access
- 13 different customisable layouts to suit your AV needs
