

ASP-HDB1

HDMI Audio De-Embedder

SAFETY INSTRUCTIONS

Please review the following safety precautions. If this is the first time using this model, then read this manual before installing or using the product. If the product is not functioning properly, please contact your local dealer or Aurora for further instructions.

The lightning symbol in the triangle is used to alert you to the presence of dangerous voltage inside the product that may be sufficient to constitute a risk of electric shock to anyone opening the case. It is also used to indicate improper installation or handling of the product that could damage the electrical system in the product or in other equipment attached to the product.

The exclamation point in the triangle is used to alert you to important operating and maintenance instructions. Failure to follow these instructions could result in injury to you or damage to the product.

Be careful with electricity:

- **Power outlet:** To prevent electric shock, be sure the electrical plug used on the product power cord matches the electrical outlet used to supply power to the Aurora product. Use only the power adapter and power connection cables designed for this unit.
- **Power cord:** Be sure the power cord is routed so that it will not be stepped on or pinched by heavy items.
- **Lightning:** For protection from lightning or when the product is left unattended for a long period, disconnect it from the power source.

Also follow these precautions:

- **Ventilation:** Do not block the ventilation slots if applicable on the product or place any heavy object on top of it.
Blocking the air flow could cause damage. Arrange components so that air can flow freely. Ensure that there is adequate ventilation if the product is placed in a stand or cabinet. Put the product in a properly ventilated area, away from direct sunlight or any source of heat.
- **Overheating:** Avoid stacking the Aurora product on top of a hot component such as a power amplifier.
- **Risk of Fire:** Do not place unit on top of any easily combustible material, such as carpet or fabric.
- **Proper Connections:** Be sure all cables and equipment are connected to the unit as described in this manual.
- **Object Entry:** To avoid electric shock, never stick anything in the slots on the case or remove the cover.
- **Water Exposure:** To reduce the risk of fire or electric shock, do not expose to rain or moisture.
- **Cleaning:** Do not use liquid or aerosol cleaners to clean this unit. Always unplug the power to the device before cleaning.
- **ESD:** Handle this unit with proper ESD care. Failure to do so can result in failure.

FCC

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interferences received, including interference that may cause undesired operation.

INTRODUCTION

About

The **ASP-HDB1** is a high-quality HDMI audio splitter / de-embedder, with an HDMI and stereo audio output at resolutions up to 1920x1200@60Hz. The ASP-HDB1 is HDCP compliant making it compatible with most products on the market today.

Features

- ◆ **HDMI Pass-Through**
- ◆ **Maximum pixel rate : 165MHz**
- ◆ **Stereo Analog Output**
- ◆ **Wall-mount housing design for easy installation**

Front & Rear ASP-HDB1

Front & Rear

1. **HDMI IN:** HDMI input port, used to connect to an HD video source device, such as a DVD player, a computer etc.
2. **5V DC:** DC 5V power wall supply.
3. **Power Indicator:** Turns red when power on.
4. **HDMI OUT:** HDMI output port to be connected to a device such as a TV, matrix, splitter etc.
5. **AUDIO OUT:** Stereo audio output port, used to connect with an audio amplifier analog input or any analog unbalanced input.

APPLICATIONS

ASP-HDB1 DVD Audio to Amplifier

APPENDIX 1 Troubleshooting

Problem	Solution
1. LED is not lit	a. Check 5v power supply is plugged in. b. Check to see if Wall supply is plugged into wall outlet. c. Make certain wall outlet has power.
2. No Image on screen	a. Make certain output resolution does not exceed screen capabilities. b. Check HDMI cable connection c. Verify display is set for proper HDMI input port
3. No audio output on analog jack	a. Make certain display is not trying to do Dolby® with source via EDID is the ASP-HDB1 is not a down mixer. It will only de-embed stereo digital audio from the HDMI source.

APPENDIX 2 Technical Specifications

Model Name	ASP-HDB1
Technical	
Role of usage	Stripping audio from HDMI and converting to stereo analog
Frequency bandwidth	340MHz
Pixel Clock	165MHz
Audio support	Stereo PCM (48KHz only)
Freq. Response	20Hz – 20KHz
CMRR	>70dB @ 20Hz – 20kHz
SNR	80dB Max
CEC Channel	Pass through
Input TMDS signal	2.9 Volts [peak-to-peak]
Input DDC signal	5 Volts [peak-to-peak, TTL]
Input	1x HDMI
Output	1x HDMI 1x 3.5mm TRS
HDMI connector	HDMI [19-pin female]
Mechanical	ASP-HDB1
Housing	Metal enclosure
Dimensions [L x D x H]	(92 x 52.5 x 28mm)
Weight	(0.2Kg)
Fixedness	Wall-mounting case with screws
Power supply	5V DC
Power consumption	3 Watts [max]
Operation temperature	0~40°C [32~104°F]
Storage temperature	-20~70°C [-4~140°F]
Relative humidity	10~90% RH [no condensation]

Specifications subject to change without notice.

APPENDIX 3 **Warranty**

Limited 3 Year Warranty

Aurora Multimedia Corp. ("Manufacturer") warrants that this product is free of defects in both materials and workmanship for a period of 3 years as defined herein for parts and labor from date of purchase. This Limited Warranty covers products purchased in the year of 2009 and after. Motorized mechanical parts (Hard Drives, DVD, etc), mechanical parts (buttons, doors, etc), remotes and cables are covered for a period of 1 year. Touch screen displays are covered for 1 year; touch screen overlay components are covered for 90 days. Supplied batteries are not covered by this warranty. During the warranty period, and upon proof of purchase, the product will be repaired or replaced (with same or similar model) at our option without charge for parts or labor for the specified product lifetime warranty period.

This warranty shall not apply if any of the following:

- A. The product has been damaged by negligence, accident, lightning, water, act-of-God or mishandling; or,
- B. The product has not been operated in accordance with procedures specified in operating instructions; or,
- C. The product has been repaired and or altered by other than manufacturer or authorized service center; or,
- D. The product's original serial number has been modified or removed; or,
- E. External equipment other than supplied by manufacturer, in determination of manufacturer, shall have affected the performance, safety or reliability of the product.
- F. Part(s) are no longer available for product.

In the event that the product needs repair or replacement during the specified warranty period, product should be shipped back to Manufacturer at Purchaser's expense. Repaired or replaced product shall be returned to Purchaser by standard shipping methods at Manufacturer's discretion. Express shipping will be at the expense of the Purchaser. If Purchaser resides outside the contiguous US, return shipping shall be at Purchaser's expense.

No other warranty, express or implied other than Manufacturer's shall apply.

Manufacturer does not assume any responsibility for consequential damages, expenses or loss of revenue or property, inconvenience or interruption in operation experienced by the customer due to a malfunction of the purchased equipment. No warranty service performed on any product shall extend the applicable warranty period. This warranty does not cover damage to the equipment during shipping and Manufacturer assumes no responsibility for such damage.
