

Designed to easily fit on to a full-motion, TV wall mount, this Flexson mount securely holds your Beam in place, while allowing it to move with the screen – meaning optimum performance with music, movies and more.

The Flexson TV Mount Attachment for Sonos Beam is easy to fit to your existing flatscreen wall mount. It's the perfect partner for TVs from 32-65in – just add a Sonos Beam for wonderfully unified sound and vision.

Like all Flexson products, the TV Mount Attachment for Sonos Beam is precision engineered in the UK, easy to fit and comes with all the fixings you need.

- Allows you to fix the Sonos Beam to any existing TV Mount
- Sonos Beam moves with your TV when using a full-motion mount
- 32" min TV Size, 65" max TV size
- VESA Compatibility up to 400 x 400
- Universal fixing kit included
- Designed and manufactured in the UK
