

S1-PFS Premium Floor Stand for Sonos One, One SL and Play:1

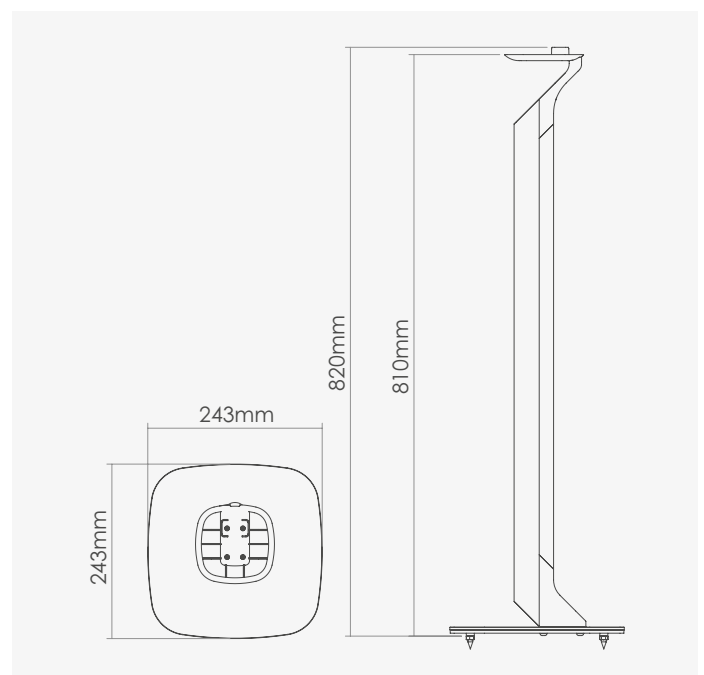

The Flexson Premium Floor Stand is the ultimate accessory for the Sonos One, One SL or Play:1 speaker. Beautifully crafted from aluminium, glass, steel and hardwood, it is available in two luxurious finishes: White/English Oak or Black/American Walnut.

The Flexson Premium Floor Stand puts your speaker at the optimum listening height, so it will look and sound superb. It has a stable base that can slip under sofas or chairs if needed, plus cable channelling to neatly hide away the speaker's power cable. Like all Flexson accessories for Sonos, the Premium Floor Stand is easy to assemble and use.

- The ultimate premium accessory for the Sonos One, One SL and Play:1
- Positions the speaker at the ideal height for seated listening
