

MODEL L-50ens

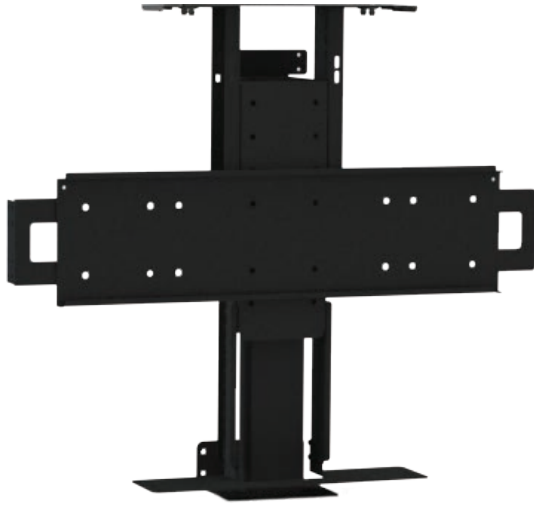

POP-UP SWIVEL ENCLOSURE TV LIFT

For Up to 60" TV

TV Maximum Screen Size _____ 60"
Maximum Weight _____ 100 lbs

Model L-50ens is perfect for situations when the backside of the television is exposed, like at the foot of the bed or in a half wall. The lift and bracket system allow you to place an enclosure around the television that will seamlessly integrate the TV into the decor of the room. The smooth manual swivel function enables you to face the TV in any direction, creating the ideal viewing angle (enclosure itself is not included).

- Near Silent Operation
- Manual Swivel with Safety Cutoff
- Remote Control Included
- Popular in Applications Where Back of TV is Exposed

Nexus 21 solutions come complete with everything required for assembly and installation. Motorized systems are covered by a 10-year warranty and all products are backed by our world-class product support team.
