BTV1200, 1400

1200/1400mm AV/TV Stand

The BTV1200 includes a number of Euro-style design features. The top shelf is a recessed black-glass sheet which adds strength and style - the central compartment has an adjustable black-glass component shelf and is covered by two black glass doors which enable electronic devices to be hidden yet still remain operational. Colour trim panels can be included during construction to highlight the footboard and drawer areas.
