GLN1000W

32 - 47"

30 KG

Powder Coated
Steel + Glass

W1000 x D380 x H450 mm

Introduction

The GLN1000W is one of the open-style AV racks from AVS. Strong and sturdy yet stylish, the strong support structure is finished in a powder coated aluminium tube which blends into three toughened black glass shelves. The rear cable management system allows discrete cable running to tidy your installation.

Features

- Contemporary open style design
- Capacity to hold up to 4 standard AV components
- Tempered black glass component shelves
- Cable Management System
