

# Screen Care Products

## IP-1066D

### Mobile Device Cleaning Kit - Compact

This great little product doubles as a cleaner and a handy stand for your mobile device.

Use the quality micro-fibre pads to clean the screen of your unit and then transform the IP-1066D into a desk/table stand so you can check out your emails & photos or watch your video clips in style.

With no fluid to worry about with regard to damaging your sensitive electronics or refilling later on, this unit is perfect for use on the go. It is the perfect size for your glove box, bag, purse or desk drawer.
