Flat Screen Cleaning Kit

Designed to work with any flat-screen TV or monitor. The uniquely contoured pad enables effective cleaning and even gets right into the hard to reach corners. The kit features the unique cleaning pad with table rest, cleaning fluid bottle and anti-static brush.

FEATURES

- Patented triangular design to clean all corners of the screen
- Ergonomic handle for easy use
- Ultra fine microfiber cloth to ensure that screen will not be scratched during cleaning
- Cleans while providing an anti-static treatment

CONTENT

- Flat screen cleaner (1 pcs)
- Table rest (1 pcs)
- Anti-static brush (1 pcs)
- Cleaning fluid (60cc. bottle)
- Instruction manual

APPLICATIONS

- TFT TV screen
- LED TV screen
- Plasma TV screen
