## Introduction

The LB1800 is a large lowboy AV cabinet which allows you to display your large flat-panel TV and store all of your electronic components and accessories. The unit also features an adjustable central component and two side storage compartments. A useful cable management system completes a stylish and versatile piece of AV furniture.

## Features

- Contemporary styling (designed to fit any décor)
- Capacity for up to 6 AV components
- Extra-strong top shelf
- Side storage compartments
- Adjustable Component Shelf
- Cable Management System
