SONY ULTRA-SHORT THROW 4K PROJECTOR
SALAMANDER CREDENZA

The Salamander Credenza: a Seamless Stealthy Solution for Virtually Any Decor

A simple installation with no need to open the wall or ceiling to run cables. All supporting components including a speaker system can be enclosed in the credenza to provide a beautiful and simple solution.

Features:

- Extruded Aluminum Frame creates a support skeleton.
- Wide variety of bolt-on options and accessories: Active Cooling, Designer Footing and more.
- Built-in louvers for better air flow to keep equipment cool.
- Pinch-Out Rear Panels to permit fast, easy access to components and wiring.
- Pull-Out Interior Storage Options
